

Our mission is to minister and teach the word of God, empowering the youth of the surrounding communities and of the Indian Nations to make a difference in their communities.

Our poupose is to empower the youth and brighten their future by creating hope, goals, and providing a positive perspective on life. The youth are taught leadership, social and daily life skills in the hope that the youth will gain respect for themselves , their families and their communities.

Shiloh Ranch Ministries is a non-profit organization that serves area youth and their families at no charge. This ministry relays strictly on donations from individuals. This pledge will go directly to the daily operation of the ministry.
